

CURRICULUM VITAE

Moritz Tannast

Moritz Tannast is associate professor and the deputy head of hip and pelvis surgery at the Department of Orthopaedic Surgery at the University Hospital in Bern, Switzerland. His main clinical and research interest focuses on joint preserving hip surgery, primary and revision total hip arthroplasty and hip/pelvis trauma. After graduation and residency at the University of Bern, he was trained by Dr. Stephen Murphy and Dr. Joel Matta in minimally-invasive hip surgery and pelvic/acetabular trauma. M. Tannast is the recipient of more than ten national and international research awards.
